Amy, Stephanie,

We look forward to having this meeting. Don Maddox will work to set this up in early January. Would you kindly reply with the name of the person Don can work with in your organization to get this on the calendar?

Wishing you a very Happy Holiday!

Mary

Hi Mary and Lisa –

Thanks for sending around the information on the workshop. We'll get the word out so we can send a good set of technical experts your way.

I'm actually writing because we are close to having some final deliverables from Battelle and we'd like to come in to brief you all. I've briefly described the effort to Jeanne and mentioned it to Bob when we last spoke. I think it would be beneficial for us to meet and for you all to have a chance to review the materials in advance of your retrospective data release. Given holiday travel I think the best thing would be to start looking for days in the new year – basically the week of the 31<sup>st</sup> or soon after.

Please email to let us know a few options that might work on your end and Stephanie and I will work to get Battelle and some of our members lined up.

Thanks!  
Amy
